### Important

In addition to monetary contributions, political action committees are required to report the receipt of any nonmoney ("in-kind") contributions. A political action committee receives an in-kind contribution whenever a person provides it with an item or service without charge or for a charge that is less than the fair market value of the item or service in question. The value of an in-kind contribution is the difference between the fair market value and the amount charged.

Ark. Code Ann. § 7-6-202 provides that a person who knowingly fails to comply with the provisions of subchapter 2 of chapter 6, Title 7 of the Arkansas Code shall upon conviction be guilty of a Class A misdemeanor.
